Now

A Decade of Dance

Sisters Mel and Ally first opened the doors to That's Dance and Acrobatics in 2016. While we didn't hold a concert in that first year, we began building the community that stands before you today. From our humble beginnings at Narangba United Football Club, to our long-time home on Business Drive (2017–2025), and now stepping proudly into our future at Mumford Road, tonight we celebrate every dancer, every family, and every memory that has shaped these incredible ten years.

Here's to the next decade of TDNA.
